

PROJECT MANAGEMENT

Project management is ultimately the planning, coordinating, overseeing and executing of project objectives and/or deliverables. Our Project Management service offering delves into the following aspects:

- ✓ Schedule management.
- ✓ Budget management.
- ✓ Quality management.
- ✓ Risk mitigation and management.
- ✓ Stakeholder engagement and management.
- ✓ ESG (Environmental, Social and Governance) frameworks.
- ✓ Environmental management and sustainability.
- ✓ Regulatory compliance and standard adherence operating procedures and codes of practice.
